A word from the captain...

It's here again my friends!

My favorite time of year is upon us again and it is as beautiful as ever! I can't quite believe that it is already July. Although it should have been obvious with how wonderfully long the days have gotten and how enjoyable the sunsets have been while out on the boat. We are gearing up for a busy month but we do find some spare moments to stop outside and enjoy the lake whether it be a quick fishing trip or a few runs waterskiing. Famous Dave's is looking forward to a brightly colored, fun filled weekend in celebration of our 16th annual fireworks spectacular once again. This year is sure to out do the rest and the thanks goes to each of our wonderful and loyal guests. This entire month is going to be packed with fun and entertainment each weekend, and we look forward to seeing all of you!

Dixie's Watermelon Punch (Page 58 of Backroads and Sidestreets)

Ingredients:

1 large watermelon
1/2 cup tangerine juice concentrate
1/2 cup cranberry juice concentrate
3 tablespoons lime juice
1/2 cup grenadine
1 quart lemon-lime
1 gallon rainbow sherbet

Slice a small piece off the bottom of the watermelon to level. Slice top from the watermelon and discard. Scoop out pulp, removing as many seeds as possible. Puree pulp in a blender and drain thoroughly in a colander, pressing puree to extract the juice. Measure 8 cups of the juice into a large pitcher. Add the tangerine and cranberry concentrates, lime juice and grenadine. Chill in the refrigerator. Cut the edge of the watermelon in a scallop pattern with a sharp knife to make a punch bowl. Wrap in plastic wrap. Chill until serving time. Add chilled lemon-lime soda to the watermelon juice and pour into the watermelon shell. Add scoops of sherbet just before serving.

Yield: 16 Servings
